

2011 BADLANDS DISTRICT FALL FIRE SCHOOL
BURKE FIRE DEPARTMENT
BURKE, SD
SEPTEMBER 25, 2011
BURKE FIRE STATION

Vehicle Extraction – Instructor Darrell Hartmann. This class will have an emphasis on advance hand tools, stabilization and basic power tools. This will be a great class for rural fire departments with limited amount of hydraulic tools and small equipment budgets. Class length 6 hours. Structural or Rescue PPE required with head, eye, hand and feet protection. (NO tennis shoes or soft toe boots/shoes) Class limit 25. Class length 6 hours.

Propane tree – Instructor State Fire Marshal's Office. This will be a hands on learning experience utilizing the standard propane tree prop. Students will be provided basic information on the properties of propane along with everyday procedures to be used when dealing with a propane incident. Student participation time will depend on class size.

EMS Refresher -- This will be a six hour offering with two distinct 3 hour individual sessions, allowing the student to attend one 3 hour session or both.
